92532	3,042	61	2,915				

\*New cases may show a decrease due to reassignment of patient addresses, removal of duplicates, or other ongoing investigation activities.

\*\*Current cases exclude cases in jail/prison.

\*\*\*More information may become available as individual case investigations are completed. Cases for zip codes with less than 2,000 populations are not reported.

Data are preliminary and subject to change. Data updated 8/11/2021
