Jeff,

Here is a couple paragraphs of what is happening in Rancho Mirage in 2023.

Lots of exciting things happening in Rancho Mirage. First, the city just welcomed two new councilmembers to the dais. Many events will be returning and some new events will be launching. The Rancho Mirage Speaker Series is back and kicks off it Legends of Sports series starting in January. The Writers Festival is back at the end of January to welcome over 80 authors from around the world to the Rancho Mirage Library and Observatory. Three amazing Broadway musicals will perform at the City’s outdoor amphitheater. The PGA Champions Tour will kick off in March with the newly arrived Galleri Classic at Mission Hills Country Club. Sensei Porcupine Creek, the new six-star wellness retreat owned by Larry Elison will be welcoming guests from around the world to this world class destination. In addition, the Cotino, Story living by Disney community will continue to take shape on the section 31 property. The City will kick off a season of events in the fall of 2023 to celebrate the 50th year anniversary.

Let me know if you need more than that. Also, I have copied Hayley Tice on our team if you want any graphics for any of the items talked about.

Thanks Jeff
