RE: City Clean-Up Campaign Program

Gentlemen:

When something is wrong it is not uncommon to hear many voices of protest, but when some constructive act is performed it is all too frequently followed by silence.

The Tribal Council for the Agua Caliente Band of Mission Indians want you to know that they commend you for your recent Clean-up Campaign and they ask that you consider this letter as a note of their appreciation.

Very truly yours,

A handwritten signature in cursive script, reading "Edmund P. Siva".
